

F.A.Q.

Eagan Office

Where is your building located?

We are located within the Yankee Doodle Professional Building at 1519 Central Parkway, Suite 260, in Eagan.

Is this location wheelchair accessible?

The office building is handicap accessible with automatic door buttons and an elevator. While our suite does not have an automatic door button, your clinician can meet you at the waiting area to open the door for you.

Where do I park?

Our Eagan Clinic has a free surface level lot right in front of the building with parking available at all hours.

What is the bathroom situation?

The bathrooms are public and located on both the first floor near the entrance and second floor near the office suite. Please note these bathrooms are gendered with a male and female label.

Is there a baby changing station?

Yes! Each bathroom has a changing station located in the larger stall.

Where do I wait when I arrive and what should I expect?

When you arrive at our suite you will see our waiting area with comfortable seating, resource information, refreshments, and magazines. Please note we do not have a receptionist on site. Your clinician will come meet you in the waiting area at the time of your appointment.

Who do I contact if I have a problem?

Please contact your therapist directly via email or phone call. Your therapist may not respond immediately due to being in session. If your needs are time sensitive, you can also email info@wildtreewellness.com or call 651-212-4920.

Helpful Facts/Tips:

Water is located at drinking fountains near the bathrooms.
